WORK HISTORY

WEB PAGE DESIGN, USING PHP, HTML & SQL

Volunteer | LCC Computer Education, Software training institute in Kerala | October 2019 - March 2020

- Researched, tested, and implemented various client features requests to deliver internal content management system and content delivery applications.
- Worked closely with group members and other developers to define parameters and plan detailed specifications with the clear project deliverable and timelines to meet strict deadlines.
- Maintained strict budgetary and scheduling guidelines to satisfy teachers with high-quality targeted designs.
- Took concepts and produced design mockups and prototypes to strengthen designs, enhance user experiences, and improve site interactions.
